Louisiana School of Ministry (LASOM)

Steps of Completion

1. Review the internship packet in detail to understand the full internship procedure.

(Ex: Certified interns must have a mentor with the minimum of licensed credentials) This exception comes with ordained interns who must have a mentor with ordained credentials.

3. Thoroughly review the internship process with the potential mentor. If the minister agrees to serve as your mentor, complete and mail in the Internship Mentor Covenant on page five to the District Office. (Attn: LASOM Internship Coordinator) In the event that you cannot find a minister to serve as your mentor, contact the District Office for further assistance in making a mentor connection.

4. The start date you list on the Internship Mentor Covenant is the day your internship begins. You have exactly three months to complete your internship project and submit the following documents to the District Office
   a. Six, single-page project papers
      i. Church Administration
      ii. Biblical Counseling
      iii. Personal Finance
      iv. Benevolence

      vi. Ministerial Relationships
   b. Student Summary of Internship Reports
   c. Mentor Summary of Internship Reports
   d. Statement/Letter of suitability for ministry from the mentor (Sent from the mentor directly to the District Office)

5. Interns will receive an email confirming the status of their internship completion after submitting all the necessary documents within the three-month internship time allotment. A one-month extension can be requested in emergency or extreme situations. Students may have to restart the internship if documents are not sent in within adequate time given.

Certified Internship Protocol

LASOM Statement of Purpose:

The Louisiana District School of Ministry exists to provide training for those sensing a call to ministry, whether as credentialed ministers of the Assemblies of God, or as equipped laypersons within the local church. The school seeks to promote a unified purpose for ministry within the Fellowship, providing doctrinal and practical instruction based upon common core values and shared ministry goals.

The faculty and leadership of LASOM fully subscribe to the statement of Fundamental Truths of the Assemblies of God and commit LASOM to proclaim and support the principles and polity of the Assemblies of God. LASOM commits itself to provide training courses that meet District and General Council educational requirements for ministerial credentials.

Furthermore, LASOM seeks to fulfill the mission of the Louisiana District Council of the Assemblies of God in developing healthy leaders, churches and ministers.

Internship Purpose/Mission:

The LASOM internship strategy enables students to confirm God’s call, develop the Christ like character, gain the competencies of ethical and effective ministry and develop the personal disciplines essential to successful life and ministry. The strategy uses guided “hands on” ministry experiences, interaction with qualified mentors, and the exercise of personal spiritual disciplines to accomplish its mission.

Mentor Qualifications

The selection of an appropriate mentor is critical to the success of the internship process. For the use of the internship protocol, mentor refers to the person overseeing the individual internship. Many times the mentor is the senior pastor, but can also be another qualified person, as long as they are an Assemblies of God minister who is fully cooperative and supportive of the ministries and policies of the Louisiana District Council of the Assemblies of God.

(Ex: presbyter, staff pastor, ministries leader, etc.)

Students and mentors should meet frequently during the internship.

- They should meet at least one time during each project to review the student’s progress with each project of the internship at each credential level.

More than one mentor may be needed to adequately receive all the information and experience needed to complete each project. While a student’s senior pastor will be qualified in several areas, another mentor may serve in a greater capacity concerning ministry involvement and past experiences. If a mentor is unable or unwilling to commit the time needed for the student, the student may end the mentor relationship and continue with a different mentor.

A list of qualified mentors can be provided in the case that a student cannot make the mentor connection on their own. This will come as the result of the student requesting mentor suggestions after consultation with LASOM leadership.

An appropriate and qualified mentor must:

- Be ordained or credentialed at least one level above the credential the student is seeking
- Not be the spouse of the student
- Willingly follow the policies and guidelines of the LASOM internship process
- Review this Internship Protocol thoroughly with the student and assure they understand their role and responsibilities as a mentor.
- Exemplify the best practices in their ministry
- Willingly complete and submit the required LASOM mentor reports
- Write and send in a statement of ministry suitability about the students
- Willingly invest significant time in the intern and internship process
- Refuse to serve as a mentor in those areas in which they lack the expertise or if their involvement is not in the best interest of the student
- Consult with the student about their future plans and internship projects
- Communicate concerns regarding the intern or the internship process to LASOM
